2010 NV Statewide Common Performance Measurement Worksheet

Community Strengthening 2

Title: Recruitment and Management of Continuous Volunteers

Grant Year: 2010-2011

Performance Measurement Type: OUTPUT

Need: A fundamental purpose of AmeriCorps is to help recruit, support and manage the vast networks of volunteers assisting nonprofit organizations in meeting community needs. Volunteer recruitment and management is a key element for AmeriCorps programs in 2010.

Output Result: XXX AmeriCorps members will recruit, train and/or manage XXX continuous volunteers during the 2010-2011 grant year.

Indicator: The number of volunteers recruited and serving in continuous assignments.

Activity: XX AmeriCorps members will recruit, train and/or manage XXX volunteers who have been placed in continuous volunteer assignments. Continuous volunteers serve regularly, over a prolonged period with a schedule and have specific assignments. AmeriCorps members conduct or coordinate training. Members have regular contact with volunteers to ensure volunteer satisfaction, quality service and volunteer recognition.

Instrument: Volunteer Service Logs and/or Sign In Sheets

Targets: XXX continuous community volunteers are recruited, trained and managed with 2010-2011 programs/partners to meet local need.

Summary of Performance Measure: XX AmeriCorps members will recruit, train and/or manage XXX community volunteers in continuous assignments during the 2010-2011 grant year.

Prior Year's Data: (if applicable)
